**Narrative**

By Trooper Richard D Fox 1035

Vehicle 1 traveling RT 190SB, Sterling, in the left hand travel lane of two southbound lanes. Vehicle 1 signaled his intent to move to the right lane, then began to make the lane change. Vehicle 2 (Unknown) suddenly passed close by Vehicle 1 at a high rate of speed, causing operator 1 to take evasive action to avoid which caused Vehicle 1 to strike the concrete bridge median. No contact made with the unknown vehicle who continued southbound. No PI; traffic light; weather cloudy.

Veh Operator PAULEY, RICHARD J:

"I was traveling southbound in the left lane and signaled my intent to move over to the right lane for exit 5 ahead. Just as I started to move over another car came flying by me, cutting me off. I swerved to avoid him and ended up hitting the concrete barrier."
